

BONAVENTURA
MASCHIO

LA GRAPPA 903 BARRIQUE

Bonaventura Maschio is a family distillery with over a century of history across five generations. From great grandfather Antonio to the present Sole Director Italo, along with his son Andrea and daughter Anna, they continue the company's tradition. It is a business that has always sought and found in hard work, study and research, and strict quality control, the true expression of essential and authentic values.

With the Maschio family, whole generations of viticulturists, distillers, and oenologists grew up and were educated. Every individual shares his own experience, driving quality and innovation.

This grappa is dedicated to Bonaventura Maschio: the man who founded the distillery in 1903, and who gave the company his name, his own style and character, and his experience. It fully reflects Bonaventura Maschio's great personality and mastery: a perfectly balanced blend between different pomaces distilled in dedicated copper stills.

After distillation, La Grappa 903 Barrique rests in wood for a minimum of 12 months, including at least 6 months in precious barriques, the source of its elegant and inimitable tertiary aromas.
