MASCHIO

## LIMONCELLO DI CASA

Bonaventura Maschio is a family distillery with over a century of history across five generations. From great grandfather Antonio to the present Sole Director Italo, along with his son Andrea and daughter Anna, they continue the company's tradition. It is a business that has always sought and found in hard work, study and research, and strict quality control, the true expression of essential and authentic values.

With the Maschio family, whole generations of viticulturists, distillers, and oenologists grew up and were educated. Every individual shares his own experience, driving quality and innovation.

Limoncello is the most famous and beloved of Italian liqueurs.

Every family guards its own secret recipe to make it at home and then sip it all together as a pleasant digestif while lingering at the table, chatting and happily telling stories after a meal.

Limoncello di Casa owns its unmistakable fruity note to the careful infusion of the best lemons, ripened under the Italian sun, lulled by the refreshing sea breeze. Its aroma takes us right back to that sunshine, to the blooming Mediterranean gardens, to the beauty of the Italian artistic heritage, and that joy of life for which Italy is known throughout the world.
