

BONAVENTURA  
MASCHIO

## THE BARMASTER GIN

Bonaventura Maschio is a family distillery with over a century of history across five generations. From great grandfather Antonio to the present Sole Director Italo, along with his son Andrea and daughter Anna, they continue the company's tradition. It is a business that has always sought and found in hard work, study and research, and strict quality control, the true expression of essential and authentic values.

With the Maschio family, whole generations of viticulturists, distillers, oenologists grew-up and were educated. Every individual shares his own experience, driving quality and innovation.

A WHITE SHIRT. A PAIR OF RED SUSPENDERS. THE BODY LEANS ON THE COUNTER. HANDS MOVE, FAST.

Ice in the glass. Some more in the mixing glass: now the gin, then a second spirit to shake with nonchalance. Ice slips away: hands filter the drink with a strainer. The stirrer swirls in the glass with swift and accurate moves. A lemon twist: fingers wring the yellow peel to squeeze out the juice. And the final touch: a ruby red cherry. Hands now rest. The shirt is flawless.

To be a Bar Master is not only a matter of taste. It is also a matter of style. It means attention to detail: being aware that any slight move gives a mood to the event. And then, of course, the right gin. Like Barmaster Gin; a gin that breathes life into the style of those who handle gin and cocktails every night. Barmaster is a versatile gin that has no fear of any new experiment or pairing.
