MASCHIO

## TIRAMISÙ DI CASA

Bonaventura Maschio is a family distillery with over a century of history across five generations. From great grandfather Antonio to the present Sole Director Italo, along with his son Andrea and daughter Anna, they continue the company's tradition. It is a business that has always sought and found in hard work, study and research, and strict quality control, the true expression of essential and authentic values.

With the Maschio family, whole generations of viticulturists, distillers, oenologists grew-up and were educated. Every individual shares his own experience, driving quality and innovation.

Tiramisù, the dessert that warms the heart of every Italian, entwined with our fondest memories of childhood and happy family gatherings, is now a liqueur.

Bring back those emotions with a sip of Tiramisù di Casa, and indulge in its creamy sweetness as you recall the thrill of that first spoonful.
