ABOUT THE WINERY

Tenuta Sant'Anna is the historical heart of Tenute di Genagricola (Montcalm's mother company) and the best known and longest standing of the groups' brands.

Founded in the early 60's, Tenuta Sant'Anna was one of the first viticultural properties acquired by Genagricola and ever since the 1970's it has been stretching the limits of innovation. Equipped with the latest technology along with professional competence and know-how, the winery soon became one of the most prominent protagonists of the Italian wine-making scene. The estate, which lies some 50 km east of Venice, covers 150 hectares, 140 of which are dedicated to vine growing.

The year 2015 heralded big changes for Genagricola with hiring famous winemaker Riccardo Cottarella as consulting enologist and by giving its brands a fresh new look.
