This product has been tested by Express Toxicology Services using valid testing methodologies and a quality system as required by state law. Values reported relate only to the product tested. Express Toxicology Services makes no claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Express Toxicology Services. All Oklahoma Compliance Tests are 100% performed in-house on validated state of the art instrumentation. Due to unforeseen circumstances such as equipment failure etc. outsourcing a test may be necessary in order to complete your tests in the promised time period. We only outsource to those labs who have applied for an OMMA Laboratory License, Qualifying Accreditation and proven proficiency testing. If a test is outsourced it will be notated in the notes section of the particular outsourced test.
